**IMAGINE
INNOVATE
INSPIRE**

Everyone can imagine, but implementing is the harder part.

Kommuri Pratap Reddy Institute of Technology is the perfect place to kindle your imagination. We help young minds to achieve their dreams by providing quality technical education at par with international standards. KPRIT persistently seeks and adopts innovative methods to improve the quality of higher education on a consistent basis. The campus has been set up in a calm, quiet and pollution-free atmosphere on a sprawling area of 22 acres.

HOW IT ALL STARTED

It all started with the thought of imparting futuristic technical education and instil high patterns of discipline to the students through a dedicated staff who set global standards. In doing so, our Chairman Sri K Pratap Reddy garu has created a technically superior and ethically strong atmosphere, which in turn improves the student's quality of life

CHAIRMAN: KOMMURI PRATAP REDDY

MA, LLB

SRI K PRATAP REDDY is a Member of the Legislative Assembly as well as an educationist and philanthropist. His vision for development is informed by the belief that good education and discipline are the pillars for a cultured society. His interest in creating an institution at par with International standards based on strong principles unfolded the creation of KPRIT.

VICE-CHAIRMAN & CEO: K. PRASHANTH REDDY

B.E, MS (USA), MBA (ISB)

MR. K PRASHANTH REDDY is a former "Senior Staff Design Engineer" from U.S.A with more than 7 Years with SanDisk Corporation and patents for USB flash drive design integrals. He pursued his M.S from California State University, U.S.A, and B.E from Muffakham Jah Engineering College of Engineering and Technology, Hyderabad. He pursued his MBA from Indian School of Business (ISB), Hyderabad. He has been a crucial member in bringing international experience to provide quality education back home.

SECRETARY: K. RAKESH REDDY

B.Tech, M.S (USA)

MR. RAKESH holds Graduation in Civil Engineering and Post Graduation in Construction Management from United States of America. His bright and dynamic nature and knowledge about the engineering education prospects and need for quality education for all has brought his interest into the field. He brings with him all his experiences of world class infrastructure and instructional facilities acquired in US to develop and provide the facilities on par with best institutes in the world.

GOVERNING BODY MEMBERS

Sri. Kommuri Pratap Reddy Chairman, KPRIT	Chairman
Mr. K. Prashanth Reddy Vice – Chairman & CEO, KPRIT	Member
Sri. Kommuri Rakesh Reddy Secretary, KPRIT	Member
Smt. K. Aruna Treasurer, KPRIT	Member
Smt. K. Sai Priyanka Joint Secretary, KPRIT	Member
Mr. V. V. Sathyanarayana M.D, Lakshmi Industries	Member
Mr. M. Venkatesh M.D, Sri Venkateswara Industries	Member
Dr. M. V. Ramana Murthy Retd. Professor, Osmania Univeristy	Member
Dr. K. Nagi Reddy Retd Professor , CBIT Hyderabad	Member
Dr. G.N. Srinivas Vice-Principal, Professor EEE Dept., JNTUH	Member
Dr. D.Eshwar Principal, KPRIT	Member - Secretary
Dr. S.Sreenath Kashyap Vice Principal, KPRIT	Member
Dr. Vipul M Dabhi Professor, ECE Dept	Member
Dr. Marlene Grace Varghese Professor, CSE Dept	Member
Mr. G. Nagaraju Assistant Professor	Member

VISION

To emerge as a premier institute for high quality professional graduates who can contribute to economic and social developments of the Nation.

MISSION

MISSION	STATEMENT
IM1	To have holistic approach in curriculum and pedagogy through industry interface to meet the needs of Global Competency.
IM2	To develop students with knowledge, attitude, employability skills, entrepreneurship, research potential and professionally ethical citizens.
IM3	To contribute to advancement of Engineering & Technology that would help to satisfy the societal needs.
IM4	To preserve, promote cultural heritage, humanistic values and spiritual values thus helping in peace and harmony in the society.

COURSES OFFERED

KPRIT offers the Undergraduate and Postgraduate Program in various disciplines.

B.Tech

NAME OF THE COURSE	INTAKE
Computer Science and Engineering	180
Computer Science and Engineering- Artificial Intelligence and Machine Learning	90
Computer Science and Engineering- Data Science	60
Electronics and Communication Engineering	60
Civil Engineering	30

M.Tech

Computer Science and Engineering	18
Embedded Systems & VLSI Design	18

MBA

Masters in Business Administration	240
------------------------------------	-----

APPROVALS & ACCREDITATIONS

APPROVALS

All India Council of Technical Education - AICTE New Delhi

Jawaharlal Nehru Technological University Hyderabad - JNTUH

ACCREDITATIONS

National Assessment and Accreditation Council - NAAC

National Board of Accreditation - NBA (CSE, ECE)

PRINCIPAL PROFILE

Dr. D. Eshwar, Principal and Professor at KPRIT, Hyderabad is a renowned academician and good administrator. He has rich experience in Academics, Management and Industry and his varied experience is of much use to the students and the institute's growth. He has 24 years of teaching, training and research experience. He is a seasoned teacher. He is indeed a widely read and active person in the academic front.

His areas of interest include effective implementation of Outcome Based Education, implementation of Effective Teaching Methodologies, Improving the Institute Industry Interaction, practical orientation in teaching and importance to student centric approach in all the policy decisions. His research areas include Industrial Engineering, Production in specialized Industrial Engineering, Manufacturing, Data Mining and Pattern Recognition. He has published many papers in International and National journals of repute and has few projects to his credit.

ADMISSION PROCEDURE

CATEGORY 'A'

Admissions under Category 'A' (70%) are made by the Telangana State Council of Higher Education through a Common Test TS EAMCET.

CATEGORY 'B'

Admissions under Category 'B' (Management / NRI-30%) are done on the basis of merit as per the guidelines of TSCHE Hyderabad.

LATERAL ENTRY II YEAR B.TECH

In addition to the above, diploma holders are admitted directly into the second year of B.Tech to the extent of 10% of intake based on the rank obtained in the Engineering Common Entrance Test (TS ECET), under lateral entry scheme conducted by Govt. of Telangana.

A SOPHISTICATED, GREEN CAMPUS

The campus has been set up in a calm, quiet and pollution-free atmosphere on a sprawling campus area of 22 acres. It is located next to the NTPC Power Grid near Ghanpur Village, Ghatkesar Mandal. KPRIT is just 9 kms from Uppal Bus Depot and just 1 km from the Outer Ring Road leading to International airport. The College is well connected by TSRTC buses, making KPRIT a well-accessible, satisfying and inspiring destination to impart knowledge.

SALIENT FEATURES

INFRASTRUCTURE

- 22- Acre Green campus
- Spacious Pollution free Environment
- Cutting Edge laboratories
- 24x7 Wi-Fi
- Well stocked library
- Smart Class Rooms
- Spacious Auditorium & Seminar halls
- Transportation from all parts of the city
- Huge Cafeteria with Healthy and Hygienic food
- RO Purified Water facility
- Separate hostel for boys and girls
- Well furnished dining facility
- Ragging free environment
- Student Leadership Initiatives
- Extracurricular and Co-curricular activities
- Easy access to Differently Abled
- Stringent round the clock security
- Sports and Games Facility
- Gym

ACADEMICS

- Experienced, Qualified and Dedicated Faculty Team.
- Student- Centric Teaching and learning environment
- Dedicated Placement Cell
- SEED Program Training from 1st Year onwards
- Practical's are enriched with design Approach
- Enhancing Critical Thinking and Problem Solving Skills
- Emphasis on Continuous Evaluation
- Outcome Based Education System
- Industrial Training / Internship Compulsory
- Interdisciplinary Subjects
- Open Ended Experiments
- Hobby Projects
- Workshops
- Expert Talks
- Professional Electives
- More Hands on Practice
- Technical Fests

CERTIFICATION AND VALUE ADDED PROGRAMS

KPRIT is now partnered with

- Coursera
- SWAYAM/ NPTEL
- IIT Bombay Remote Centre
- IIT Bombay Spoken Tutorial Certification
- Indian Institute of Remote Sensing - IIRS Remote Centre

MOU'S

- MOU with 60+ reputed Organizations
- TASK- TASK – Telangana Academy for Skill and Knowledge, Govt. of Telangana.
- E&ICT Academy- NIT Warangal
- MNIT Jaipur

MOU WITH FOREIGN UNIVERSITY

- University of Central Missouri, USA
- University of Bridgeport Connecticut, USA

FACULTY - OUR GREATEST RESOURCE

KPRIT is 100% compliant to AICTE & JNTUH norms. The highly qualified and experienced faculties implementing the innovative teaching methodologies are the backbone of KPRIT. The faculty members are leaders of research in their profession and in the development of innovative curriculams and courses.

DISTINGUISHED DOCTORATE FACULTY

Dr. D. Eshwar, Ph.D - JNTUH

Dr. S.Sreenath Kashyap, Ph.D - C.U.Shah University

Dr. Vipul M Dabhi, Ph.D - R. K. University

Dr. Marlene Grace Verghese, Ph.D - Acharya Nagarjuna University

Dr. P. Muthi Reddy Ph.D - Bangalore University

Dr. Abdul Ahad Ph.D – Acharya Nagarjuna University

Dr. C. Veena Ph.D- Rayalaseema University

Dr. G. Bhaskara Dharma Rao, Ph.D- Jiwaji University, Post.Doc- IISER Bhopal

Dr. K. Chakradhar, Ph.D- S.V. University

Dr. K. Ashalatha, Ph.D- Acharya Nagarjuna University

Dr. Suryakath Biradar, Ph.D- Kalinga University

Dr. Joga Chary, Ph.D- Kakatiya University

Dr. Girija Raman, Ph.D- Mother Theresa University

Dr. Umakanth Sharma, Ph.D- Martwada University

ADJUNCT FACULTY

Dr. Ramana Murthy, Retd. Professor, Osmani University

Mr. Varun Atluri B.E, MS (Arizona University)

Mr. Anirudh Acharya B.E, MS (Arizona University)

Mrs. K. Divya Sri B.Tech, MS (University of Houston)

COMPUTER SCIENCE ENGINEERING (C.S.E)

Accredited by NBA

LOGIC TO YOUR DREAMS TO SUCCEED

Taking the present day scenario, computer and technology has become part of our life. The use of computers is mandatory in every discipline today. So we at KPRIT always ensure that our students in this field are ahead of times and that India becomes the International IT centre.

KPRIT always has been in the forefront in giving students the right knowledge and skills. We have been continuously strengthening our base and lay great emphasis on creating the finest computer facilities. The department also has a right mix of faculty with experience from reputed academic institutes and industries.

FACILITIES:

 Computer Programming

 Compiler Design Lab

 Data Structures Lab

 Case Tools and Web Technologies Lab

 Java Programming Lab

 Linux Programming Lab

 Data Base Management Lab

 Data Warehousing and Mining Lab

 Operating System Lab

C.S.E - ARTIFICIAL INTELLIGENCE & MACHINE LEARNING

THE ROAD TO AN IMPACTFUL TOMORROW

This four year undergraduate course of Computer Science & Engineering with specialization in AI & ML is designed to make the professional technically sound in advanced learning systems that are based on algorithm of Artificial Intelligence. This programme develops the skills of creating fastest working apps or solutions integrated with analytical information ensuring 100% accuracy in the output. It is not needed to be mentioned that AI & ML has now penetrated in all the horizons of service sector. There is rarely any field which is untouched by Artificial Intelligence hence generating lakhs of vacancies for skilled professionals by 21st Century.

FACILITIES:

 Compiler Design Lab

 Advanced JAVA Lab

 Artificial Intelligence Lab

 Operating Systems Lab

 Machine Learning Lab

 Deep Learning Lab

 Python Programming Lab

C.S.E DATA SCIENCE

THE KEY TO CHANGING THE WORLD

B. Tech in Computer Science and Engineering with specialization in Data Science (DS) is a new, exponentially growing field which consists of a set of tools and techniques used to extract useful information from data. This Program, has a dual objective to provide solid foundations in Computer Science and Engineering and introduce Data Science and the new tools it provides to manage huge amounts of data to lead us to better understand and, ideally, solve some of the greatest challenges facing the world today. The programme encompasses data Science as an interdisciplinary, problem-solving oriented subject that learns to apply scientific techniques to practical problems.

The course curriculum involves a blend of data inference, algorithm development, and technology to analytically solve complex problems. Data is everywhere and is growing faster than ever before. With the exponential growth of Data and Information derived from it, the Data Science has emerged as prime focus of study and research. Data Science has become key component in the digital era and remains as top technology driving entire business space. The employment potential and career options are huge as data science impacts all sciences, business, and our everyday lives.

FACILITIES:

 JAVA
Programming Lab

 Information Retrieval
and Lab

 DBMS Lab

 Real time Data
Streaming Lab

 Advanced
Data Structures Lab

 Operating Systems
Lab

 Data and Information
Security Lab

 Compiler Design Lab

 Data Visualization
and Presentation Lab

ELECTRONICS & COMMUNICATION ENGINEERING (E.C.E)

Accredited by NBA

FOR AN INTEGRATED FUTURE

Electronics and Communication Engineering is one of the fastest growing fields of engineering courses. It involves the transmission of information across the channel and deals with the electronic and software applications. For the students of KPRIT to achieve their best in this discipline, the department has been equipped with advanced laboratories and smart infrastructural facilities.

And we have been maintaining a constant innovation and updating with highly qualified, dedicated and experienced faculty committed to giving students the best knowledge of everything.

FACILITIES:

Electronic Devices & Circuits

Microprocessors & Microcontrollers

Basic Simulation

Digital Signal Processing

Electronic Circuits & Pulse Circuits

Microwave Engineering & Digital Communications

Analog Communications

IC Applications & HDL Simulation

CIVIL ENGINEERING

THE BRIDGE BETWEEN DREAMS & REALITY

Civil Engineering is the broadest of the engineering fields. The department has been responsible for many spheres that focus on the infrastructure of the world which include Water works, Sewers, Dams, Power Plants, Transmission Towers/Lines, Railroads, Highways, Bridges, Tunnels, Irrigation Canals, River Navigation, Shipping Canals, Traffic Control, Mass Transit, Airport Runways, Terminals, Industrial Plant Buildings, Skyscrapers, etc.

The infrastructure at KPRIT facilitates students to develop their skill and knowledge within the framework of curriculum prescribed by the College. The department has well-equipped laboratories/workshop under the guidance of highly experienced faculty.

FACILITIES:

-  Geotechnical Engineering
-  Concrete and Highway Material Testing
-  Basic Material Testing
-  Structures
-  Surveying
-  Environmental Engineering
-  Geology
-  Hydraulics and Hydraulic Machinery
-  Computer Aided Design

STUDENT EMPOWERMENT & ENTREPRENEURIAL DEVELOPMENT (SEED)

SEED Department is a unique department in KPRIT offering Industry required training during the entire four years of B.Tech course. A total of 992 hours of training extended over a period of 4 years enables the student to be technically competent with strong communication & soft skills well prepared for industry jobs and higher education. SEED Department is also responsible for providing job opportunities, internships, organizing workshops, industrial visits, guest lectures and signing MOUs with various companies.

YEAR	INDUSTRY SPECIFIC TRAINING	No. of Hours
I Year	C Programming, Goal Setting (GOAL) & Soft Skills Training (SST), Personality Development Programme & Motivational (PDP)	192
II Year	DS & C++, Communication Skills, Leadership & Personality Development Programme	240
III Year	SQL & PL SQL, JAVA or .NET, and latest technologies as per Industry demand	270
III Year	Big Data, Andriod, Blockchain, IoT, Latest Technologies as per Industry Demand, Mock Interviews, Leadership, & Goal Setting,	290
	T O T A L N O. OF HOURS OF TRAINING	992

I'm placed

PLACEMENTS

Kommuri Pratap Reddy Institute of Technology has a well established placement cell to assist students from various disciplines in achieving their desired goal and getting placed in reputed companies. Placement Training is offered to all the students. Apart from regular curriculum the students are thoroughly exposed to the latest global market trends through extension lectures by eminent professional managers, academicians and other distinguished personalities. Mock interviews are conducted to develop confidence levels among students. Main Objective of KPRIT is to "Ensure 100% placement for all students".

COMPANIES THAT RECRUIT OUR STUDENTS:

Buelah Sharon
Training & Placement Officer

INFRASTRUCTURE

- 22 acres campus equipped with Wi-Fi
- Equipped with all laboratories and Seminar Hall for students
- Smart classrooms
- Bank ATMs
- Separate Hostel Blocks for boys and girls
- Huge Cafeteria

LIBRARY

The library is a fountainhead of innovativeness, inspiration and insightfulness both for the students and the faculty. The library attached with digital library system set in a spacious part of the college building. It has been systematically and steadily strengthened year by year. It contains more than 14,000 commendably classified textbooks and reference books. In addition to journals and magazines, spacious reading rooms with modern facility enhance the zeal of the students for knowledge. The college subscribes about 30 International, National journals of reputation in various disciplines along with prominent national dailies.

TRANSPORT

The college operates buses for the convenience of the students who hail from different parts of the city like Dilsukhnagar, Mehdiapatnam, Kukatpally, ECIL, & Mettuguda. It picks up students from the nearest point from their houses, to ensure punctuality and regularity to the college as well as safe transportation.

HOSTEL

LIVING, ACCOMPANYING & LEARNING.

For the perfect living, KPRIT has been equipped with the perfect accommodation matching International standards with ample rooms for all students. Separate hostel blocks are maintained for boys & girls with homely features.

The hostel is well-maintained with high cleanliness & hygiene standards.

 Healthy and Hygienic dining facility

 RO Purified Water Plant

 Wi-Fi Enabled Campus

 Clean and Green Surroundings

SPORTS & GYMNASIUM

SPORT THE COURAGE

At KPRIT, sports are given as much importance as academics. The campus has exclusively bounded a special area for sports and outdoor activities. Students in the campus have complete access to all the sports facilities. The college has various outdoor facilities that are well-maintained and well designed for the students to enjoy their best time.

The sporting events facilitated in the campus are:

- Volley Ball and Basket Ball Court
- Cricket Pitch
- Games Field for Athletics
- Football and Rugby Field
- Badminton Court

EVENTS

Kommuri Pratap Reddy Institute of Technology (KPRIT) proudly celebrate the college student activities for every academic year to develop creative & innovative mode of delivering education.

KPRIT is all set to typify itself as the ultimate platform for nurturing engineers of various technical streams.

The Academic Events like Paper Presentations, Poster Presentations, National & International Conferences, Seminars, Technical Symposiums, College Festivals and KPRIT Lecturer series, Guest Lecturers on latest technologies and on Academic Subjects etc. These help students to develop their technical knowledge and competitive spirit to communicate and compete globally. This platform of events provides the student the most exciting and gainful opportunities for the acquiring of knowledge, leadership qualities and technical expertise to groom the young minds.

STUDENT ACHIEVEMENTS

Mr. D. Prem Kumar

17RA1A0315,

Department of Mechanical Engineering has won award of “Vajra World Records” for making a Graphite Movable Cycle with 85mm size in 2019. And also won the highest Voting for Micro Art in the GALERIA DE 'ARTE- National Level Art Exhibition during 2nd – 6th November 2019 at Simus Art Gallery Kondapur, Hyderabad, Telangana.

M. Divya Sree

18RA1A0405,

Department of Electronics and Communication Engineering got selected for the Basket Ball University team of JNTUH.

R. Snigdha Goud

17RA1A0534,

Department of Computer Science and Engineering got Selected for the South Zone Khokho for Women, University team of JNTUH.

Students of Mechanical Engineering

They have participated in the Champions of Champions presented by A.P State Skill Development Corporation, organized by the Imperial Society of Innovative Engineers (ISIEINDIA) from 22nd - 25th February 2019 at Vijaywada, A.P. The team, Sparta, of KPRIT, Hyderabad was the only Institution selected from Telangana State.

Vikram Pareek

16RA1A0553,

Department of Computer Science and Engineering has started his own You tube channel entitled “Queries Solved” through which he will be giving solutions to various computer and software related issues.

A. Pavithra

17RA1A0520,

Department of Computer Science and Engineering have designed an E-Post Office Website from scratch using HTML ,CSS , JavaScript, PHP and MySQL. It has a very good user interface, where there are login screens for admin, user and also employees based on authentication of the details in the database. Admin can add employees and employees can dispatch posts. Users can create a new post which will be yet to be dispatched default and everyone can search for posts.

She even have a youtube channel named SkyverTech, where i have been doing technical related videos and programming languages tutorials. We are also planning a startup.

Ch. Shrujan

16RA1A0425,

Department of Electronics and Communication has successfully won the Analog Design Contest Challenge organized by Texas Instrument a Leading IC Manufacturing Company.

R. Sivaji

16RA1A0424,

Department of Electronics and Communication has successfully won the Analog Design Contest Challenge organized by Texas Instrument a Leading IC Manufacturing Company.

TESTIMONIALS

It was my immense luck and fortune to be the part as a student of KPRIT where I can grow. The entire faculty and department leaves no stone unturned to shape one's future. My four years at KPRIT have been a wonderful experience of learning with prolific exposure to outside. Huge respect, love and devotion for entire faculty members and department. It's their efforts that make me to count myself into better professionals.

M. Supraja (ECE)

The memories and experience the college has given me couldn't be summed up in few lines being a student of KPRIT. My four years at KPRIT were great and a memory to cherish for lifetime. It was full of learning and grooming oneself. It gave me an opportunity to meet different kind of people and learned many things. Infrastructure, Library and classrooms also add upto the aspect. I am thankful to all the faculties, mentors and placement cell. Overall it was a great experience and lifetime memory at KPRIT.

Harivamshi (CSE)

KPRIT is a place where you can find an amalgamation of learning, fun, culture, lore, literature and many such life preaching activities. The learning environment, resources has always played an important role in achieving grades. The college has always been forefront in encouraging the research section. This helped me to get in detail in every subject and involve in interesting and innovative projects. I am thankful to Training & Placement cell, KPRIT for providing a platform to enhance my skills and an opportunity to showcase them.

Sai Rishik (ECE)

KPRIT proved to be a pool of opportunities for me. It not just provides us with various platforms to showcase our abilities and skill but also helps us to learn all soft skills that are highly required. We get training on interview skills, communication skills, life skills, and effective time management many more starting from 1st year onwards through SEED Program. I feel great studying at KPRIT and getting great opportunity as well as support from faculties & placement officers.

M. Leela (CSE)

My bachelor degree at KPRIT consisted of many projects based evaluation and faculty connect. The mentors helped us enhance my academic and interpersonal skills. "Think Different, that is one thing that KPRIT urges in and to far extent succeed in teaching to its students which invariably helps to achieve what you need. It nourished me and thus gave me an opportunity to define me. The regular interaction with the Placement team also encouraged me to excel in my interview and developing skills that are required for future use. The entire Team has put in all the efforts to groom us and make us corporate professionals. It was a wonderful experience at KPRIT.
