

The Right Path

Vasireddy Venkatadri Institute of Technology, Nambur, Guntur, Andhra Pradesh, INDIA - 522 508. Cell : 99510 23336, www.vvit.net

To
The Honorable
CHIEF MINISTER,
Andhra Pradesh.

Respected Sir,

At the outset, we would like to formally thank you for accepting our request to launch Sri Ramana's "Venkata Satya Stalin". We are sincerely grateful for your gesture.

To introduce ourselves, we are from Vasireddy Venkatadri Institute of Technology affectionately known as VVIT which made its humble beginning in 2007 when we promised students and parents that from here on one will not need to cross borders to get quality education. And now, with the most committed faculty, unparalleled infrastructure and definitely the most happy set of students, VVIT can now claim "nobody does it better".

Google USA, chose VVIT to set up its first ever Google codelab in India.

APSSDC in association with Siemens set up a centre of excellence at VVIT with over 15 state of art labs.

VVIT is one of the few colleges associated with the prestigious ISB for technical entrepreneurship program.

VVIT students have the opportunity to participate in the prestigious Stanford

University Innovation Fellows Program.

No wonder VVIT is considered the most happening campus.

All these achievements and landmarks take back seat when one considers the fact that VVIT has the happiest student body. Students lead from the front in all the activities at VVIT which gives them the extra edge apart from academics for doing well in life.

Students benefiting from all these initiatives in collaboration with AP State Government, performed extremely well in campus placements last year recording over 700 placements (more than 90% of passing out students).

VVIT Balotsav is a noble endeavour to promote universal brotherhood among telugu children all over the world in association with APNRT. Balotsav, planned as an annual event, was very successful in eliciting over 10,000 children participation last year.

Thanking you sir for everything,

With regards,

Vasireddy Vidya Sagar

Chairman,
Vasireddy Venkatadri Institute of Technology,
Nambur, Guntur.

Vasireddy Venkatadri Institute of Technology (VVIT) was established in the year 2007, with an intake of 240 students in four B. Tech programs under Social Educational Trust in Nambur village, Guntur, AP, by Er. Vasireddy Vidya Sagar. It is located strategically between Guntur and Vijayawada in the capital region of Amaravati, AP. In a short span of ten years, VVIT has grown leaps and bounds to an annual intake of 1260 and 126 students into B.Tech (CE, EEE, ME, ECE, CSE and IT) and M. Tech (CSE, DECS, VLSI&ES, PEED, MD, SE) programmes respectively today with over 4500 students, over 300 teaching staff and 213 non-teaching staff striving to fulfill the vision of VVIT.

Google Codelab

VVIT is proud to host the first ever Google Codelab in India in association with APSSDC

SIEMENS

centre of excellence

VVIT is among the two private engineering colleges out of 300 engineering colleges in the state selected by AP State Government to host Siemen's Center of Excellence. Under this Center of Excellence CNC India Ltd. Bangaluru sets up ROBOTICS lab, LAKSHMI MACHINES WORKS, Coimbatore sets up CNC Lab, METAFAB Engineers (I) Pvt. Ltd sets up Automotive body repair and paint Lab, BEACON LIFTS Ltd sets up Lift installation and maintenance Lab and DESIGN TECH systems Ltd, Pune sets up the remaining labs.
